

Broken Brank

Materials:

2" Wooden Disks

Pencil

Blue Acrylic Paint

Red Acrylic Paint

White Acrylic Paint

Ribbon or cording

Instructions:

1. Sketch the brank and goutte onto the disk. The easiest way to do the brank is to turn the disk around so the hole for the cord is at the bottom then sketch a 2, then detailing it.

2. Paint according to the example above
3. Cut ribbon or cord to 24" lengths. Using a lark's head, or whatever works, attach ribbon or cording tie loose ends.
